From one of the foremost authorities on education in the United States, former U.S. assistant secretary of education, an incisive, comprehensive look at today’s American school system that argues against those who claim it is broken and beyond repair; an impassioned but reasoned call to stop the privatization movement that is draining students and funding from our public schools.

### Reign of Error - Diane Ravitch

In Reign of Error, Diane Ravitch argues that the crisis in American education is not a crisis of academic achievement but a concerted effort to destroy public schools in this country. She makes clear that, contrary to the claims being made, public school test scores and graduation rates are the highest they’ve ever been, and dropout rates are at their lowest point.
