Byzantium The Decline And Fall

Having read Norwich's histories of the rise and zenith of Byzantium, it was oddly sad to read of its gradual decline, a death by a thousand cuts as Byzantium was beset by enemies from all directions. His account of the sacking of Byzantimum during the Fourth Crusade was particularly moving.

However, Manzikert alone was not responsible for the decline of the Byzantine Empire. During the 12th century, much of Anatolia was recovered under the Komnenian Restoration, but the recovery was brought to a crashing halt at the Battle of Myriokephalon in 1176. The Byzantines were ambushed by the Seljuk Turks and suffered heavy casualties.

5 Reasons Why The Byzantine Empire Finally Collapsed

The Byzantine Empire experienced several cycles of growth and decay over the course of nearly a thousand years, including major losses during the Arab conquests of the 7th century. However, modern historians generally agree that the start of the empire's final decline began in the 11th century. In the 11th century the empire experienced a major catastrophe in which most of its heartland territory in Anatolia was lost to the Seljuk Turks following the Battle of Manzikert and ensuing civil war. At
