(Halo #5) This is how it began... It is the year 2524. Harvest is a peaceful, prosperous farming colony on the very edge of human-controlled space. But we have trespassed on holy ground--strayed into the path of an aggressive alien empire known as the Covenant. What begins as a chance encounter between an alien privateer and a human freighter catapults

"Halo: Contact Harvest" provides important insight into the Halo Universe for fans who want to go beyond the games. I had previously read Halo, Books 1-3 (The Flood; First Strike; The Fall of Reach), so was very interested in filling in even more of the back story provide in this book. Right off the start, it is obvious that Joseph Staten does not have the
