Short of the hole, you'll have an uphill putt, but if your ball lands beyond the hole, you'll be putting downhill. Another important detail to watch for is the fall line, or the contour of the green. If your ball is on the left side of the fall line, it will tend to break from left to right, while on the opposite side the reverse is true ...

I was originally going to put this as a reply to someone else's question, but ultimately decided it deserved its own thread. I have stated in other threads that I set a goal 5 years ago to basically go from 36 handicap to scratch by my 50th birthday. I did not make it, but I came close. I got down...

### **Instinct Putting - Instruction & Academy - GolfWRX**

Keep them low and soft. A higher wrist position is preferred over a lower wrist position as this will limit the amount of hand action you have. To help with this check in a mirror and try to see your forearms in line with the shaft. Lower your face so that your eyes are parallel to and even with the ground.
