International Business: The Challenge of Global ...

The Global Business Challenge aims to encourage as much diversity in solution designs as possible. Just as there are no single right answers to complex problems, the nature of the issued challenge demands teams look for highly innovative technologies and design novel business models.

Competition Details | The Global Business Challenge

Another challenge is integrating acquisitions of local companies such as South American Telefe, which it purchased in 2016. The company also has an international insights team that gathers the latest consumer insights from around the world. You can get some insight into this initiative at <https://insights.viacom.com>.

Trends in Global Competition - Introduction to Business

The authors use the lexicon of international business, and additionally, develop students' knowledge of international contexts with the aim that they may launch, run, and work in any organization that is global in scope (or is wrestling with global competition or other global threats). The textbook is organized in 5 Sections:

International Business - Open Textbook Library

International company structure If your aim is to be competitive globally, you must have a team in place that's up for the challenge. One fundamental consideration is the structure of your organization and the location of your teams. For instance, will your company be run from one central headquarters?

11 Biggest Challenges of International Business in 2017 ...

As Congress and various agencies debate the applicability of U.S. antitrust law on digital platforms, a bigger problem is Europe's enforcement of European antitrust policy. It risks undermining competition and U.S. business interests in Europe's giant digital market; Europe's business-to-consumer e-commerce sales alone are climbing past \$850 billion this year.
