The Better Angels Of Our

The Better Angels of Our Nature: Why Violence Has Declined is a 2011 book by Steven Pinker, in which the author argues that violence in the world has declined both in the long run and in the short run and suggests explanations as to why this has occurred. The book uses data simply documenting declining violence across time and geography. This paints a picture of massive declines in violence of ...

The mystic chords of memory will swell when again touched, as surely they will be, by the better angels of our nature." — Abraham Lincoln, Great Speeches / Abraham Lincoln: with Historical Notes by John Grafton. tags: american-presidents, inaugural-address, us-presidents. Read more quotes from ...

Quote by Abraham Lincoln: "We are not enemies, but friends ...

The Better Angels of Our Nature is a great book. It makes the case for a theory that I always had as a history student: that violence is decreasing and that we are progressively getting better. However, if you want a more unbiased historical view, or if you want a more scientific approach, then it might not be the best book available.

The Better Angels of Our Nature: Summary + PDF | The Power ...

The phrase "better angel" is from Shakespeare's Othello (1603): "Did he live now, This sight would make him do a desperate turn, Yea, curse his better angel from his side" But this was a repeat of the phrase in Shakespeare's Sonnet 144 (1599): "Th...
