Anyone bought or can recommend the new Two Scoops of Django 3.x? ... No matter for what price you eventually buy it - this will be the best investment in your development. Read older version (1.8 i guess). It was eye opening. People have put incredible amount of time and energy into this book.

### **Anyone bought or can recommend the new Two Scoops of ...**

Years back I bought a physical copy of Two Scoops of Django 1.11 after seeing it highly recommended in a book called Hello Web App by Tracy Osborn. Little did I know it was way over my head at the time. With the release of Two Scoops of Django 3.X, and with a lot of recent practice, the book is now only slightly over my head, so I've been trying to implement more of the practices recommended ...
