be in the middle of the  
best options to review.

It's easy to search  
Wikibooks by topic,  
and there are separate  
sections for recipes  
and childrens'  
texbooks. You can  
download any page as  
a PDF using a link  
provided in the left-  
hand menu, but  
unfortunately there's  
no support for other  
formats. There's also  
Collection Creator - a

handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.
